About Chalet Cristal des Neiges ...

Five star Chalet Cristal des Neiges has been completely renovated to provide all the comforts of modern living but without losing the charm of a traditional Savoyard chalet.

Set in the tranquil Gotty area of La Clusaz, it's the perfect choice if you want to be close to all the Alpine action, but still enjoy a peaceful location. With spectacular views over the mountains, you're less than 4km from the centre of the resort and just 100m from the nearest green run to the ski lift and ski school.

The traditional village of La Clusaz is just a short drive away, and offers a good range of shops, bars, restaurants and nightlife, as well as markets where you can pick up delicious local produce.
